## RUDOLPH CARDBOARD TUBES

1. Measure out your brown paper to fit your tubes! Once you have measured it, cut the paper out!
2. Roll the tube along the paper making sure your gluing as you go.
3. Now with a hole punch, put one hole on each side of the face.
4. Now thread one brown pipe cleaner through each of the holes that you have just created to make antlers! You can adjust your antlers to whatever shape or size that you like!
5. Create the Rudolph's face! Add a big red nose, one pair of eyes, draw some eyebrows and a smile!
6. Get a Christmas ribbon and tie it along the bottom of Rudolph's face to create a scarf! This can be any size or style that you like!
